

LET'S MAKE ERA25 A BIT GREENER!

JOIN US IN THIS IMPORTANT JOURNEY

Tips for sustainable participation at ERA25

LEARN & SHARE

DonauCleanUp, part of RhineCleanup, has been clearing plastic waste from the Danube's banks since 2020. As 80% of ocean plastic comes via rivers, this issue affects Europe too. Over 100,000 volunteers have removed 1.5 tonnes of waste in 7 years. Donations are also an important way to contribute and ERA25 is supporting this mission.

CHOOSE SUSTAINABLE TRANSPORTATION

If this is possible, use environmentally compatible, public means of transportation to travel to the event location, or share a car. We have a special offer for all our participants with ÖBB to travel to the ERA Congress by train: it includes a 22% discount on the ÖBB standard fare, a 10% discount on the international standard fare and a special price for the ÖBB Nightjet when booking. [More details here.](#)

BRING YOUR REUSABLE ITEMS

Bringing a **refillable coffee cup** and **water bottle** also helps! You will be able to fill/re-fill both (coffee & water) on site.

WASTE REDUCTION

Dispose of your waste (PET, glass, paper, metal, batteries, etc.) via the **separate collection systems** provided at the hotel and at the event venue.

RECYCLE YOUR LANYARD

If you still have your ERA lanyard from last year, bring it along! Reusing it in Vienna is a small step but it helps cut down on materials (production, shipping, etc.).

ENGAGE IN SUSTAINABLE CATERING

Enjoy **locally sourced food** and the **vegetarian** options provided by our caterers and avoid single-use plastics.

ENERGY CONSERVATION

Turn off computers, laptops and other electronic devices when not in use. Recharge them only when needed.

GO DIGITAL AND REDUCE PAPER USAGE

Access congress materials and schedules through our official **Congress app** and **Virtual Congress** to reduce paper waste.

ECO-FRIENDLY CITY TRAVEL

Use public transportation or walk. We also offer a 10% discount to explore the city with the Vienna City Card. Visit the dedicated section on the ERA website to get the discount codes.

OFFSET YOUR CO₂ EMISSIONS

If you cannot or do not want to do without your car, or if you travel by plane, you can **offset your CO₂ emissions** by means of compensation payments.
